CHAIRMAN'S DESK

I am very happy and proud to inform you that at last Khardah Municipality is launching its **website** www.khardahmunicipality.in on 30th June 2014 for the citizens of Khardah and the interested persons outside this Municipality who could get access to various information and services rendered by this ULB. Our dream is to see Khardah as a better living place for the citizen of all categories upliftment of the poor and downtrodden people of the society along with improvement of Socio Economic condition through infrastructural development is our target. Our motto is to develop Khardah into an economically vibrant and environment friendly town through a transparent and consultative process. To keep pace with the modern information system launching of Website was must. In this process, I wish to thank all of them who have done a good job for launching the Website of Khardah Municipality early.
